

Your brand. Every cup. Every takeaway.

Custom-branded packaging and service essentials for independent cafés and bakeries across the United States.

Illustrative brand concept. Final products and specifications vary by quote.

SEVEN CORE PRODUCTS. ONE POINT OF CONTACT.

Start with the daily cup.

Choose your cup format, then tell us how you want your brand to appear.

01 Custom coffee cups | 12 oz

Double-wall paper cups with your café's artwork. Ask about print coverage, finish and matching lids.

For your quote: Order quantity, artwork, preferred finish and whether lids are needed.

02 Custom coffee cups | 16 oz

A larger takeaway format. Cup dimensions and lid compatibility are checked for the proposed product.

For your quote: Order quantity, beverage use and lid requirements.

03 Branded coffee sleeves

Paperboard sleeves printed with your logo. Fit is checked against the cups you use.

For your quote: Cup brand or dimensions, quantity and print colours.

Cup sizes are nominal. Materials, print options, minimum quantities, production origin and lead times are confirmed in your written quote.

Carry your brand further.

Coordinate the details customers take away from your counter.

04 Paper bakery bags

Custom-printed paper bags for your bakery counter.

For your quote: Bag dimensions, food use, quantity and any lining requirements.

05 Takeaway bags with handles

Paper carry bags for takeaway orders.

For your quote: Dimensions, expected load, quantity and print style.

06 Logo stickers on rolls

Labels for outer packaging, with shape and finish specified in the quote.

For your quote: Label dimensions, application surface, quantity and finish.

07 Napkins with your logo

A branded detail for drinks and pastry service.

For your quote: Folded size, material preference, print colours and quantity.

A coordinated first order.

Use these combinations as a starting point for your quote request.

A Coffee counter

12 oz or 16 oz printed cups, with matching lids requested as an option.

For your quote: Add branded sleeves if suitable for your chosen cup.

B Bakery takeaway

Paper bakery bags and logo stickers for outer packaging.

For your quote: Specify product sizes and the surfaces the labels will be applied to.

C Everyday café

Printed cups, takeaway bags with handles and branded napkins.

For your quote: Tell us your quantities for each item and your delivery ZIP code.

These are suggested product combinations, not fixed-price kits. Each item may have a different minimum quantity, production schedule or shipment.

Need more? Ask about food boxes, menus, mailer boxes, stationery, aprons and other branded supplies. Availability and specifications are checked individually.

04 / REQUEST YOUR QUOTE

Tell us what you need.

A clear brief helps us check the right product and delivery options.

INCLUDE IN YOUR REQUEST

01 Your business

Company name, contact name and email.

02 Your selection

Products, quantities per item, sizes and intended use.

03 Your branding

Logo or artwork, print colours and preferred finish.

04 Your delivery

US delivery ZIP code and preferred arrival date.

What your quote should confirm

Product specifications, minimum order, unit and setup costs, artwork proof, production origin, estimated timing, and shipping and applicable charges. Payment terms and any exclusions should be stated before you place an order.

Samples can be requested; availability, cost and shipping are confirmed separately. Product and environmental claims depend on the selected specification.
